2022-2023 APS Dress Code

Below is our student dress code for the 2022-2023 school year. The revised dress code was approved by the School Board at their June 13, 2022 regular meeting. As you are shopping for back-to-school clothing, if you have questions whether something is acceptable under the new code, please do not hesitate to call the school or email [Kelly Haile](#) for assistance.

Dress Code

Pride in self and Anchorage School is reflected in appropriate attire. Appropriate dress enables kindergarten through eighth grade students to focus on academics. We believe that dress and appearance are the responsibility of the students and parents. Dress and appearance can greatly influence self-image and behavior. When it is felt the appearance of a student is a disruptive influence on the educational program at school, corrective measures may be taken by the staff.

Dress Code Requirements:

- No exposed undergarments.
- Pajamas and sleepwear are not permitted during school unless for a special sponsored “dress down day” (this includes onesies and flannel pants).
- Hats are not permitted unless for medical or religious reasons, or for a special sponsored “hat day.”
- Students are required to wear shirts and shoes at all times. The recommendation for shoes is sneakers. Slippers are not allowed. Students may wear other shoes on days they do not have PE.
- Words/Slogans – no clothing or accessories may display obscene words or slogans or those that advertise or promote the use of drugs, alcohol, or tobacco.
- All students go outside daily for recess, weather permitting, and are expected to wear appropriate clothing for forecasted weather conditions. Generally, when determining if weather conditions are appropriate for outdoor recess, the Principal adheres to the guidelines outlined by the [Child Weather Watch guide](#) which was produced by the Iowa Department of Public Health through federal grant funds from the U.S. Department of Health & Human Services.
- Middle School Career Dress Day requirements are specified in the A-Zone Policy, which can be found in the Middle School Section of the APS website.

Students that are not appropriately dressed will be asked to cover up or call home for a change of clothes.

APS COVID-19 DASHBOARD will be Discontinued

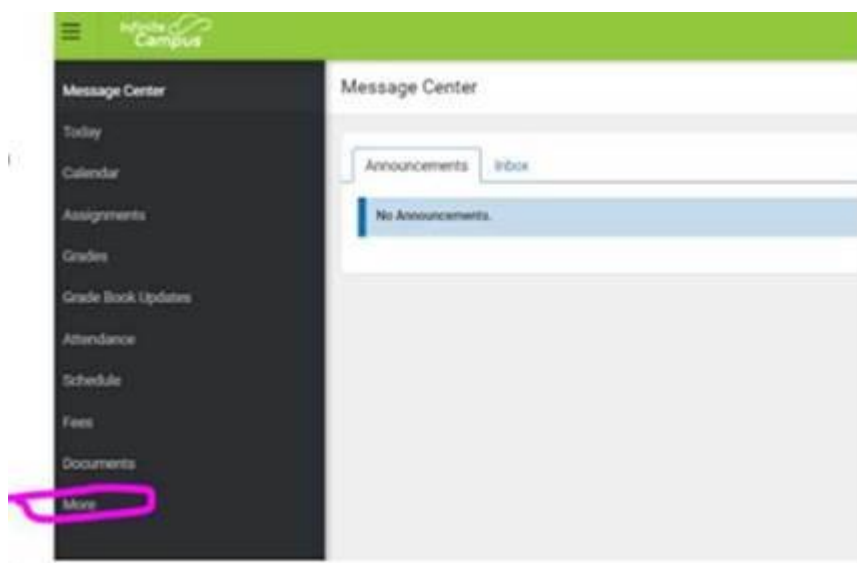

Please be advised that APS will no longer be posting school and state COVID-19 data on our website. If you are seeking updated Kentucky COVID-19 data and guidance please visit the [Team Kentucky](#) website.
